Our school has accepted this student for enrollment. Our school wishes to participate with **Memphis Opportunity Scholarship Trust** in assisting in the education of the above student. We acknowledge that **MOST's** continued payment is strictly contingent upon the family meeting and maintaining conditions of eligibility, and upon the family remaining current on all fees and tuition payments. We agree to monitor the situation and report to **MOST** about any conditions that would disqualify the family from participation in the **MOST** program. Should any conditions occur that would change the amount of award given to the family, we will inform the program. We agree to review whatever documentation of eligibility is required for this grant recipient. We understand further that **MOST** may, in consultation with a participating school, review annually the status and progress of participating students for the purposes of monitoring and verifying their continued eligibility for participation. Finally, we certify the above information to be correct and agree to the terms outlined.
