

We are thankful for each of our supporters for helping provide \$843,999 in need-based scholarships to 431 students at 45 partnering private schools during the 2019–2020 school year. At MOST, we believe that all children deserve an equal chance at a great education—regardless of their ZIP codes or financial circumstances. Thank you for empowering Memphis-area parents with the gift of educational choice!

The following list includes donors who made gifts to MOST between July 1, 2019, and June 30, 2020.
